It will be interesting to the friends of Mr. E. M. Mittle in this city to note that he has been chosen principal of the Bowman Public School, at Bowman, S. C., and is now in charge of the school. Bowman is a thriving little village in Orangeburg county.

E. P. Cromer.

Run Over and Seriously Injured.

A little negro girl was run over by Mr. John H. Wicker's horse and buggy, near the C. N. & L. railway crossing, Saturday afternoon, and sustained injuries which it is thought will prove fatal. A negro boy working for Mr. Wicker was sitting in the buggy holding the horse, when it became frightened and ran. The girl was in the road, and in the attempt to get out of the way fell. The wheels passed over her body, causing the injuries.

Kind Words and True.

The following is from the Associate Reformed Presbyterian, Dec. West: "Miss Mary Law McClintock, daughter of our Thompson Street pastor, is Lady Principal of Wards Seminary of Nashville. This is one of the finest schools in all the country and the position is a most important and honorable one. Her scholarship, experience and fine Christian character eminently fit her for the work. The Presbyterian extends congratulations to her and to that home from which she goes."

Making the Road Impossible.

There is considerable complaint from those who travel the road between Dead Fall and Newberry on account of the fact that, with the supervisor's permission, sand is being hauled out of the road at the bridge over Scott's creek. They claim that the removal of the sand is placing the road at this point in bad condition, and if it continues much longer will render it passable only with considerable danger to stock and vehicles.

Missionary Day at Prosperity.

The Sunday School of Grace Lutheran church, Prosperity, Rev. W. A. Lutz, pastor, observed Missionary Day, for the Children's Missionary Society, on Sunday. Addresses were delivered by Dr. Geo. B. Cromer, of Newberry College, and Dr. C. T. Wyche. A collection for missions, amounting to \$27, was taken.

Sunday was also Children's Day at Mt. Tabor, Rev. Mr. Lutz pastor, and a collection was taken here amounting to \$21. The communion was one of the largest in the history of this church.

JNO. SCOTT NOMINATED.

By the Republican for Congress in the Third District—Tolbert Endorsed for Congress—invitation to Mr. Tolbert.

Anderson Oct. 11.—The Republicans of the Third congressional district held a convention here today. There were delegates from every county in the district, and in all about 25 persons were present.

The convention decided to nominate a candidate for congress, and J. W. Scott, from Newberry county, was nominated.

The convention adopted a resolution endorsing the administration of President Roosevelt, and another resolution was adopted pledging Senator Hanna as national committeeman the support of the Republicans in this district.

The convention endorsed R. R. Tolbert for the position of collector of the port at Charleston. This Tolbert is a son of John R. Tolbert who held the job three years ago and was fired because he was said to be using the customs house as a place for storing blind tiger liquor. R. R. Tolbert, the same man, was a candidate for congress four years ago and whose candidacy caused the riot at Phoenix in Greenwood county the day of the election.

Joe W. Tolbert of Greenwood was re-elected district chairman.

THE METHODIST CONFERENCE.

Meets in Newberry on the Third of December—Committee on Entertainment Appointed.

The South Carolina Conference of the Methodist Episcopal Church South will meet in Newberry on the third of December. Work looking forward to the entertainment of the delegates has already been commenced, and at a meeting of the congregation of the Central Methodist church held on Sunday morning committees were appointed to secure homes and to assign members of the Conference. About one-fourth enough homes have been obtained and the committees are expected to canvass the city and to report at a meeting of the congregation to be held on Thursday.

The following are the committees appointed:

Ward 1.—E. Cavanaugh and P. C. Gaillard.

Ward 2.—J. W. Chapman and W. G. Mayes.

Ward 3.—C. H. Cannon and R. L. Tarrant.

Ward 4.—Jno. H. Wicker and J. W. White.

Ward 5.—Rev. G. E. Edwards and S. K. Bauknight.

The Conference was invited to hold its annual session in Newberry this year in a resolution passed by city council on November 14, 1901, and which reads as follows:

"Resolved, That we, the town council of Newberry, S. C., extend a cordial invitation to the South Carolina Conference M. E. Church South, to hold its annual session of 1902 in the city of Newberry."

The invitation was accepted and the Conference will be given a right royal welcome by the people of Newberry.

Tribute of Respect.

Whereas, It has pleased Almighty God in his inscrutable purpose to remove from our midst Mr. E. H. Aull, Jr., we, the members of the Excelsior Society of Newberry College, adopt the following:

1st. That in his death we have sustained the loss of one who has been always faithful and efficient in the discharge of all his duties as a member of our Society.

2nd. We meekly submit to the will of an all-wise Providence; realizing that our loss is his eternal gain.

3rd. That a page in our minute book be inscribed to his memory and a copy be sent the family of the deceased, and also copies be furnished the Stylus, Visitor and the county papers for publication.

THE SCHOOLS OF THE COUNTY.

Slight Decrease in Enrollment Under Last Year—Good Financial Showing by County Superintendent.

County Superintendent Werts has completed his report of the condition of the schools of Newberry County for the scholastic year ending June 30. The report shows the schools throughout the county to be in a sound, healthy condition. A most excellent financial showing is made, a good balance being carried forward.

From the figures given below it will be observed that there was a decrease in the enrollment under the previous year of 21 whites and 390 negroes, making a total decrease of 411. Inasmuch as there was an increase in school district No. 1, including all the city schools, of 74, this decrease is altogether in the county schools, and here mainly among the negroes. The most probable cause is the change in text books made by the State Board.

With this decrease it will be seen that the negro enrollment still exceeds that of the whites by 1,422.

The enrollment for the year ending June 30, 1901, was:

Whites.....2,657
Negroes.....4,448

Total.....7,105

The enrollment for the year ending June 30, 1902, was:

Whites.....2,636
Negroes.....4,058

Total.....6,694

Teachers, whites.....75
Teachers, negroes.....63

Schools, whites.....59
Schools, negroes.....55

The enrollment in District No. 1 was 899; the year previous 825.
